Subject: Yale Sustainability Leadership Forum - important final notes
To: Sustainability Forum <sustainability.forum@yale.edu>

Hello,

With just 7 days to go before we launch the Yale Sustainability Leadership Forum, our team is looking forward to welcoming you to Yale soon! Below are some important notes along with a few attachments.

I am attaching **participant bios** so you can learn more about the other professionals attending the Forum. Speaker bios can be found here: <http://sustainability-forum.yale.edu/faculty/>. The **pre-arrival guide** is attached here again just in case. In it you will find information on the conference center, the hotel (if you are staying at the Omni) and more.

Agenda

The final agenda is attached. You will receive a copy of the latest version when you arrive at the conference center.

Night before the Forum

As a courtesy to you, we would be happy to help coordinate an informal gathering for any participants that will be in New Haven the night before the Forum and would like to meet their fellow Forum classmates. If you will be around on the evening of Tuesday, September 20th and are interested in this gathering, **let me know and I will help coordinate**.

Morning of the Forum

For those staying at the Omni, our team member **Michelle Koss** (cell: 203-530-7424) will be in the hotel lobby starting at 8am to answer any questions. She will stay until everyone is on the bus headed to the conference center. Please meet Michelle in the lobby at **9am on Wednesday to board the bus**.

Once you arrive at the conference center, you will receive a name tag, table tent, and other Forum materials. We will have coffee and other refreshments available when you arrive.

All sessions

We are very much looking forward to the candid conversations and vibrant dialogue that will take place during the Forum. Due to the "closed doors" nature of the program, we ask that everyone attending **please refrain from recording** (video/audio) during the Forum **or from attributing direct quotes to anyone involved**. We thank you for your cooperation.

Please let me know of any questions. See you on the Yale campus very soon!

Sincerely,
Daniela
