Dear AIMS Colleagues,

In partnership with Chesapeake Bay Foundation, The Gunston School, VAIS, and AISGW, AIMS is delighted to offer the professional development programs described below. One is fully-funded by a grant, and one carries a very modest fee. These are both exceptional opportunities to enrich our schools' programs with a focus on an iconic and critical natural resource in our region -- the Chesapeake Bay.

Peter Baily, Executive Director
AIMS

[The leaders workshop includes three days and two nights on Tangier Island.](#) The leaders program will be led by Tom Ackerman, VP of Education for CBF, and John Lewis, Head of School at the Gunston School. The program is fully funded by a NOAA BWet grant.

The course for [teachers is five days long and includes three days and two nights at the Karen Noonan Center.](#) This program requires a small fee of \$300 that covers lodging and meals while on the island.
